## SNOWDAY POLICY

On snowy days please listen to The Moose 99.5fm for cancellation reports. We post on our Facebook page and with Muskoka 411 as well. The School of Ballet makes every effort to contact all students involved. Thanks again to our teaching assistants and Parent Volunteers who help on the telephones. \*Check your email for updates & please make sure we are notified about any changes to your contact info.

**Please bear in mind, when the public school system declares a snow day, we often continue our classes if the weather clears. We start late in the afternoon which allows time for roads to be cleared. Feel free to call us and be sure! 705-645-1264 (studio) 705-765-3708 (residence).....safe travels!**
